Prague, 30.11.2012

Dear Gyorgy,

Thank you very much for your kind invitation suggesting me to be a Honorary Member of the Scientific Council of your institute, the National Institute for Research and Development in Environmental Protection.

Your invitation is a great honour for me and I accept it with pleasure. I agree with you that in this way the scientific research cooperation between our countries, Romania and Czech Republic could be successfully kept, developed and strengthened.

With very best regards,

Dr. Marta Dolezalova
